**Program:** Danielle- 11/18/2012

Originally planned to present our narrowed down speaker selections tonight, but we got a flock of them the last 2 days of submissions. So Jean Marie and I will need a little longer to get through all of them and discuss our selections. We will bring them to my subcommittee meeting and send the info on discord and such. Then we will formally present them at our next business meeting.

The Long Island Round Up is looking forward to having us there for a workshop and an outreach table. The workshop is looking like it will be "We are not a glum lot: being young and sober" or something of the like.

I'm adding a subcommittee position for a marathon meeting chair for alternate languages. Whereas most of these meetings will likely be Spanish speaking, I would like to consider having Polish, Creole, etc meetings as well. So I am looking for someone to join the committee for this position. If anyone has any recommendations, please send them my way!

Hopefully before our next programs subcommittee meeting on February 28th at 8pm. We will discuss speakers and the pre-con event, as well as get any updates from the subcommittee chairs. Email me at [programs.escypaa8@gmail.com](mailto:programs.escypaa8@gmail.com) if you have any questions.
