We had our first Sub Committee meeting two weeks ago. Our next sub committee meeting will be tomorrow night at 9 pm after events and the 12 Step subcommittee meetings.

We had a gentleman at the meeting that referred us to Russian based meetings in the city. seeking to have a meeting bomb at a russian speaking meeting on a Thursday night in mannhattan

Moses has actively been working on finding us a more affordable interpreter.

I will be reaching out to Rosa to see if she can work with us on the price and cover more meetings for the same price.
