

ESCYPAA 8 EMERGENCY MEETING MINUTES:

05/24/2022

Start time: 730pm

The boat company that we booked with called and canceled on us today for June 11th, so we discussed rescheduling it for July 2nd, 9th, or 23rd. Steering committee will be voting on what date. Once it is voted on, we will be reaching out to everyone who has already purchased their tickets. They will have the option to keep their ticket, turn it into a scholarship, or get a refund. It will all work out.
