REPORT FOR 5/16/2022:

Everything is moving along. I booked the travel accommodations for our Friday night speaker, so I am so excited to have that locked in and checked off the list. I am still trying to find the contact info for our Saturday night speaker. If anyone has any way to reach Brenda J, please let me know as soon as possible because air fares will be increasing!

I got our first AI-Anon speaker tape submission! Spoke with our AI-Anon Programs Chair, Heather, about the line-up, and it's looking pretty great so far. We will be going over that at our next subcommittee meeting next Monday at 8pm. Moses spoke with the theater for the Pre-Con event about extending the time we have use of the theater for, and we will talk more about that at the next subcommittee meeting as well.

Our Alt-Programs Chair, Bri, is assisting me with the entertainment details since our Entertainment Chair has not attended any committee or subcommittee meetings since January. Bri is actively working on negotiating with DJs and AV companies.

I attended the Registration Subcommittee/Unity Event yesterday and came up with a plan to get more Old Timers and more diverse aged individuals to register or sponsor, by locking in our speakers for the Old Timers panel soon, even though it is so early, so we have more reach to the general population of AA, rather than just YPAA.

I posted the Spanish speaking and AI-Anon speaker tape submission flyers in the Discord. Please let me know if you need them emailed to you, and feel free to email me at programs.escypaa8@gmail.com. Please share these so we get some good submissions before June 15th!

#MeetingBomb Channel has been created in the discord in order to quickly find information for the current meeting bomb. Please put any suggestions for meeting bombs in the channel!

★ I edited a “promo video” for the bot party and have begun the social media/digital campaign for it. Please get your tickets and get your friends to get theirs. You’re gonna want to be on this boat.

★ I sent an email blast to local intergroups and area offices. Area 48 got back to me and has dedicated a page on their website for us. <https://aahmbny.org/young-peoples-convention-escypaa-viii/>

★ I have revamped the Slide Presentation about ESCYPAA that I made a while back as per Nassau Intergroup’s request in order to present it at the reps meeting. I have expanded on it to reflect what YPAA is, what we do, and how it functions. It ends with a big ESCYPAA outreach with how to help, all our events and hotel information. YPAA & ESCY8 Presentation.pptx

★ ESCYPAA Advisory’s MidYear Event is going to be on June 18 at Taughanock Park. WE NEED TO BE THERE. Let’s carpool and try to get as many members as possible at this

event.

★ The Sunflower Acres Campout on June 24-26 has supported and contributed to ESCYPAA since ESCY 2 and it has been brought to my attention (Advisory - Jeff T) that it would be in our best interest if some of us could go up and attend this event. 75-100 YPaas from Western NYS will be there and last year they sold 30 shirts and 25 pre regs there. (I will be in Florida) I had a conversation with Chrissy this week and here are the notes from that conversation. If there are anymore questions needing answers please let me know and I will follow up with her.

★ PLEASE SEND ME YOUR BIOS and a picture for #HostsWithTheMost FB Series. Send them to outreach.escypaa8@gmail.com

Registration: Ryan- 7/7/2016

1. Total registrations as of 5.16.22 = **348** (5/2 business meeting = 341)
 2. Total scholarships as of 5.16.22 = **125** (5/2 business meeting = 116)
 3. Printed flyers are available in both English and Spanish. Email reg.escypaa8@gmail.com to arrange pick-up/amount. Available at all in-person ESCYPAA business meetings.
 4. We held a special in-person registration subcommittee meeting / unity event last night at Caumsett State Park with 10 of us in attendance. Thanks to Kevin K for opening up his home and gigantic backyard to us! Our main discussion topic was 'creative ways to increase registrations for the convention'. Some of these ideas will be brought to their respective subcommittees (events/outreach/graphics) and some we will be announcing in the coming weeks!!
- Increase local AA participation - sending out a postcard to all groups with a P.O. Box, hosting an event aimed at "old-timers" (All-Timers Bingo), have subcommittee representatives for all Zoom meetings in a geographic area (northshore suffolk zoom meetings, east end zoom meetings, etc.), creating a script for the start of all ESCYPAA meetings at our events and some kind of ESCYPAA involvement in the county speaker exchanges.
 - Challenges - creating an internal committee challenge each month with the winner being awarded sweet ESCYPAA merchandise, creating homegroup challenges where the first three groups win priority seating at the convention (Fri-Sun)
 - Timing of price increase - Understanding the financial difficulty in today's environment, while recognizing our fundraising goal.. The current plan is to remain \$25 until late July/early August then \$30 until convention, with a convention day of price set at \$35 (this is also where we get the most registrations).
