Program: Danielle- 11/18/2012

Things are coming along and my team and I are still making a lot of phone calls and writing emails.

A comedian and a rapper both contacted me about performing for the convention, so we have arranged it for them to be in the variety show on Friday night. They are both professionals in their fields, so we have some really solid talent for this convention!

I have an alternate location for the Pre Convention event because the place we have been planning on, as lovely as it is, wants to charge a lot more money for us to have it one hour longer. LGBT Network in Hauppauge, which we will be talking about in a motion tonight for another event, may be a better option. They love us and what we do and have a great space with AV and are super affordable. So we will continue negotiations and see what happens.

I've spoken with Brenda and she is interested in coming. I will be following up with her within the next couple of weeks. My next subcommittee meeting will be June 29th at 7:30pm. Any questions, be in touch with me.

website,

how to help and contact information.

★ LAST OUTREACH TABLE EFFORTS & RESULTS: WORCYPAA

Campout 5/20-22 Sold 10 leftover Tie

Dye Shirts (2 small left) Built A LOT of hype for the boat party and convention.

Set up a 4ft folding

table with tablecloth table sign flyers and shirts, took about 1 hour to sell the shirts
we had and left

the table out while making announcements and connections throughout the
campout. NENYYPAA

ELECTIONS: Set up table in elections, multiple announcements made, sold some
boat tickets. Met

owner of Recovery Assistance Program (Venue: Second Chance Opportunities) He
gave me two slots

to keep flyers in on their opportunity wall. Will coordinate with the Capital Region Outreach

Coordinators to keep that up to date.

★ I had the pleasure of bringing the Slide Presentation to the men's Seafield Sober House in Amityville on

Monday 5/23 and it was well received. These guys got HYPED for YPAA, ESCYPAA, the boat party, luau and

campout. They showed up to our Bake Off as well as my BBQ. I'll keep reaching out to them and keep them

involved as best I can.

★ Reached out to all Area Offices and Districts to see if I can present the workshop to them to inform

the community about YPAA. Currently scheduling a virtual workshop with the Syracuse Intergroup.

★ ESCYPAA Advisory's MidYear Event is going to be on June 18 at Taughanock Park.

WE NEED TO BE THERE. Let's carpool and try to get as many members as possible

at this event, we have scoped out an Air BnB that would fit 6-8 people for the one night (or two).

★ The Sunflower Acres Campout: District 0500 Area 47 on June 24-26 has supported and

contributed to ESCYPAA since ESCY 2. IN ORDER TO RECIEVE AUCTION INCOME WE

HAVE TO BE THERE! After going to the WORCYPAA Campout I see how easy it was to just set up a

table while making announcements and directing people to go check out the table, YOU WILL

NEED TO RESERVE YOUR CAMPSITE ASAP THEY ARE SELLING OUT. If there are anymore questions

needing answers please let me know and I will follow up with Chrissy.
