Program: Danielle- 11/18/2012

Had a sub-committee meeting. It was very small. We need more attendees, especially people who are on the subcommittee.

Discussed AlAnon programming and speakers. I actually found another AlAnon speaker here in Minnesota, in addition to 2 others who have submitted tapes so far.

Brenda is not available to speak for us - she is booked until Fall 2024. I have contacted our next in line, Dave F and we have been in touch a few times. Waiting to hear back on a definite answer.

Non-pertinent:

3. The registration subcommittee will be mailing up to 100 postcards to all AA homegroups with a P.O. Box registered with Nassau/Suffolk Intergroups - postcard includes: what is escypaa, info on homegroup registration contest for priority seating, how to purchase registrations/scholarships.

4. Homegroup Registration Contest is OPEN!!!! The AA/Al-anon homegroup with the most pre-registrations will receive priority seating during the main speaker meetings. Indicated on registration form under Homegroup.

5. Bid City Registration Contest is OPEN!!!! The YPAA committee with the most pre-registrations will receive priority seating during the main speaker meetings. Indicated on registration form under Local YPAA.

Motions:

1. "I motion to raise the ESCYPAA 8 pre-registration price to \$30 starting on Wednesday July 13th, with a sale price of \$25 on July 23rd and July 24th." - my comments: Selecting Wednesday date leaves a 24hour window to push for final \$25 pre-reg's then a sale in an attempt to boost registrations during boat cruise and luau.

Waiting to hear back from Nassau county jail about commitments to speak at, they are supposed to resume them but I'm unsure if they have began yet. Will give an update Wednesday/next monday's business meeting. Problem is most of the corrections commits were halted the past 2 years due to covid and they are extremely limited at the moment. Waiting to hear back from intergroup corrections as well about bridging the gap programs.
